SUMMARY

ABOUT

Think India is a vision where people felt the need to bind the students with an Indian nationalistic string to harness this part of national treasure in furthering our aim of national reconstruction. It is like a pan-India organization, where they are striving to bring together the best talents & minds of the country and infuse in them a nation-first attitude, to develop in them a solution-oriented thinking process, and to inspire young India to serve the society. Their aim is also to identify the issues and challenges being faced by society and find innovative solutions through deliberation and discussion.

Students from IISc, IIMB, NIMHANS and NLSIU joined together to create a joint forum for the students from premier institutes of India in 2006. A formal forum took place at the Art of Living Ashram, Bengaluru in 2007. Think India is constantly organizing various workshops, conventions, programs and various levels and in different parts of the country.
