

THINK INDIA PRESENTS

ORIENTATION 2020

(For the Freshers of IITs & NITs)

ABOUT

Think India is a manifestation of the vision to connect the students across India's educational Institutes to a nationalistic thought process and to harness their collective potentials towards the aim of national reconstruction. We, as a pan-India organization, have been striving to bring together the best talents and minds of the country and infuse in them a nation-first attitude, to develop in them a solution-oriented thinking process, and to inspire young India to serve the society. Collaborating with institutions, individuals, and enterprises we, at Think India have tried to ensure maximum opportunities for students and professionals in our network to develop and contribute in various dimensions.

OUR PURPOSE

- Promote Social Harmony
- Full fill Needs Of Bharat
- Support and Motivation
- Activities In Campuses
- Upliftment Of Rural Bharat
- Support Gender Justice
- Support National Interest

FORUMS

Think India, with a vision to connect the youth of the nation to issue-based academic research, is launching theme-specific forums. We aim to identify the issues and challenges society faces and find innovative solutions through deliberation and discussion. With an intent to building a free-thinking Bharat, deeply rooted in Bharatiya ethos and adding to our valued traditions of Shodh, Samvad, and Samadhan, we are forging a new path.

THINK INDIA PRESENTS

ORIENTATION 2020

(For the Freshers of IITs & NITs)

FLAGSHIP EVENTS

National E-Youth Parliament: 1st National e-Youth Parliament organized by Think India and was attended by more than 150 students from various disciplines across India. Issues like Panchayati Raj, Strengthening Public Health Infrastructure, and renaming India as Bharat were discussed.

E-Model United Nations: In a first of its kind Model United Nations, Think India organized 1st E-MUN to provide a platform for the nation's youth to discuss contemporary issues of national and international importance.

Start-Up & Innovation Week "INDGenius": Flagship initiative of Think India to educate, inspire, and guide the young and budding entrepreneurs and students to engage with and learn from the experiences of startups and their founders.

National E-Debate: To imbibe the spirit of deliberation and discussion, Think India organized this event for students across India virtually. The event witnessed fair participation and distinguished panels to judge the participants.

JAGRUTI: The All India Student Conference organized by Students' Council, IISc, and Think India with the motto 'Awake, Innovate & Lead' received brilliant participation and presentations from across the country.

National Law Summit: Students across various law institutes across India, including the National Law Universities, participate in this annual event and listen to a distinguished panel of experts.

National Symposium on Landmark Cases: This is an annual event wherein advocates, legal luminaries and law students congregate to discuss the last year's landmark cases.

All India NIT Students Conference: This is a national Conference of students from various National Institutes of Technology across India who attended the event to discuss, network, and listen to esteemed experts.

National Article Writing Competition: Sixteen editions of the Article Writing Competition have been organized every month. Students and academicians from across the nation have participated and sent entries on various topics of national importance.

Vichar Manthan: This e-book series launched every month on Amazon Kindle, compiling guest entries and selected submissions from students and academicians from India and abroad. Except for these, many state chapters & campus units organize premier annual events like "SAMVAD" by Gujarat, "VARTALAP" by Odisha, "AAVAHAN" by IIT Delhi, etc.

COVID 19 ACTIVITIES

In this pandemic situation, Think India has organized 100+ online live talks of eminent personalities and experts from Diverse backgrounds. We also arranged several workshops on Article Writing (Aalekh), Book Publishing, Coding, Poster Designing, Law, Public Policy Governance.

CAMPUS ACTIVITIES

Think India has a very good touch in all 31 NITs and 23 IITs of the country, and we have several units working officially inside the campus. We have signed MoUs with many Institutes of National Importance. Campus teams organize study circles, competitions, sports, and Seva activities in collaboration with administration and local bodies.
