

**Think  
India**

Welcome in Orientation 2020

# What is Think India?

- Think India is a manifestation of the vision to connect the students across India's educational institutes to a national thought process and to harness their collective potentials towards the aim of national reconstruction. We, as a pan-India organization, have been striving to bring together the best talents & minds of the country and infuse in them a nation-first attitude, to develop in them a solution-oriented thinking process, and to inspire young India to serve the society. Collaborating with institutions, individuals, and enterprises we, at Think India have tried to ensure maximum opportunities for students & professionals in our network to develop and contribute in various dimensions.

# When & How it started?

- We at Think India have felt the need to bind the students with an Indian nationalistic string to harness this part of national treasure in furthering our aim of national reconstruction. Students from IISc, IIMB, NIMHANS and NLSIU joined together to create a joint forum for the students from premier institutes of India in 2006. A formal forum took place at the Art of Living Ashram , Bengaluru in 2007

# Purpose of Think India

# Internships & Fellowship

## ANUBHOOTI

🏠 Home » Internship » Anubhooti Internship

## ABOUT ANUBHOOTI

Anubhooti meaning 'realization' is an opportunity to learn from the experiences of Social Leaders of the society – Real-Life Role Models – working at the grass-roots. This Social Internship Project of THINK INDIA in association with pioneering Social Organisations; aims to bring synergies among students of top-most Institutes of India and crusaders working for a social change.

Think India – A pan India initiative to bring together the best talents of the country and to infuse in them a 'Nation First' attitude, aimed at developing the nationalistic spirit and inspiring young India to be of service to the society.

# VIDHI- THE LEGAL INTERNSHIP

[Home](#) » [Internship](#) » [Vidhi Internship](#)

## ABOUT VIDHI

“VIDHI” the Litigation Internship Program of Think India, is a medium for finest Young Law Students to connect and involve them with the diverse network of law practitioners striving for excellence in field of law and contribute in empowering society and citizens.

VIDHI aims at training and promoting a generation of lawyers and legal practitioners who are socially awakened. The program will help law students in understanding the procedural aspects and knowledge to excel in the profession along with serving the society and the nation.

# NITI- THE PUBLIC POLICY INTERNSHIP

[Home](#) » [Internship](#) » [NITI Internship](#)

## ABOUT NITI

Public interest is of paramount importance in the process of democratic government. No government can perform its duties as custodian of public good without evidence-based research, to make valid decisions affecting the public.

“NITI” the Public Policy Internship Program of Think India promotes research by connecting students with the research organisations and Think Tanks based in Delhi. NITI aims at generating policy makers and researchers of tomorrow who will know how to make good policies and analyze the impact of policies on the society.

NITI facilitates research, convergence of ideas, positions and visions that aspire to strengthen the nation and preserve her unity and integrity and contribute towards her progress and integral development.

# SANSADIYA- THE PARLIAMENTARIAN INTERNSHIP

[Home](#) » [Internship](#) » [Sansadiya Internship](#)

## SANSADIYA

With changing learning patterns, the participation of Students in Legislative Policy Framework has risen. Bills are often put into the public forum for discussions and suggestions. Students in course of their Internship are assisting Members of Parliament on Issues which are put forth for discussion in Parliament.

Think India, through SANSADIYA aims at creating a similar learning platform for student community through Internship with Members of Parliament and Ministers for One-Month and assist them with issues like Analysis of Bill, Drafting Questions.

# SAMVAD - THE JOURNALISM INTERNSHIP

[Home](#) » [Internship](#) » [SAMVAD Internship](#)

## SAMVAD

Media is the fourth pillar in any democracy and journalists in today's age of information play a vital role in being the voice of those who go unheard. Confidence, commitment to truth & attention to detail are the qualities that journalists are required to possess. In a young aspirational nation like ours, it is the need of the hour to produce journalists who believe in fearless reporting.

Hence, to provide a platform for those who wish to be a bridge between the people and their representatives, Think India will have its first ever Journalism Internship 'Samvad'. Samvad will be a medium for budding journalists to understand the nuances of Indian Journalism and engage with reputed media houses of our country.

# SHURUAT - THE START-UP INTERNSHIP

[Home](#) » [Internship](#) » [SHURUAT Internship](#)

## SHURUAT

For the economic growth of any country, Start-Ups play a very vital role. They not only enhance the economic prosperity of a country but are a major source of job creation. In a developing country like India, which is poised to be in the top economies of the world, Start-Ups will play a significant role in wealth creation.

To help young innovators and entrepreneurs, Think India will have it is the first ever StartUp Internship program where students will be able to work and interact with successful Start-Ups across the country.

This internship will help the interns understand the complexities of opening a Start-Up, the government support, fundraising, tax liabilities are other issues that Start-Ups in India face & how they overcome these hurdles to becomes a successful business entity.

# Think India Forums:

Think India, with a vision to connect the youth of the nation to issue-based academic research, is launching theme-specific forums. Our aim is to identify the issues and challenges being faced by society and find innovative solutions through deliberation and discussion. These forums are an attempt to provide a platform for all the stakeholders in different areas such as Human Rights, Gender Studies, Governance and Policy, etc. With an intent to building a free-thinking Bharat, deeply rooted in Bharatiya ethos and adding to our valued traditions of Shodh, Samvad, and Samdhan, we are forging a new path.
